## OUR STORY

Since early 2021, the Blue Ridge Free Clinic has been committed to providing exceptional care in a compassionate and friendly atmosphere. We believe that our patients deserve the best care possible, and we make every effort to make sure you feel welcome and at ease. Whether you're coming in for a simple checkup or a more complex treatment regimen, our dedicated team of health practitioners has the skills and resources to manage all your health needs.

## OUR SERVICES

We want to be your trusted partners in health. Our team of caring navigators and compassionate clinicians have a history of providing necessary services to tackle a wide range of health-related matters.

- VACCINATION**  
We currently offer the seasonal influenza (flu) vaccine.
- CHRONIC DISEASE MANAGEMENT**  
Come see us for help in managing your high cholesterol, diabetes, high blood pressure, and more.
- PHARMACY**  
Our patients are typically eligible for medication assistance.
- DENTAL**  
Current services are limited to extractions for broken or infected teeth only.
- MENTAL HEALTH**  
Mental health is important too! Our friendly and experienced staff will get you to the services you need.
- HEALTH NAVIGATION**  
Our professional team is here to guide our patients and their families every step of the way throughout their health journeys.
